MESSAGE OF THE MONTH

Though, February is short it is filled with sweet surprises and lots of love.

SHARE AND CARE

Love and care make the world a happy place! When we love our family, we show it by sharing hugs, saying kind words, and helping each other. Love is when you share your favorite toy with your little brother or help your mom bake cookies.

Caring for your friends is just as important! It's about listening when they talk, cheering them up when they're sad, and playing games together. A simple "thank you" or "I'm here for you" can make someone's day brighter.

Remember, love and care are like magic—it grows stronger when you share it!
